### **Synopsis:**

It's the tail end of the big, bad 1980s in Hollywood. Aqua Net, lycra, lace, & liquor flow freely at one of the Sunset Strip's last legendary venues where sexy Stacey Jaxx takes the stage and scantily clad groupies line up to turn their fantasies into reality. Amidst the madness, aspiring rock star Drew longs to take the stage and win the heart of small-town girl Sherri. The rock 'n' roll fairytale is about to end when German developers arrive with the plans to turn the fabled Strip into another strip mall. Can Drew, Sherri, and the gang save the club before it's too late? Can the music of hit bands Styx, Journey, Bon Jovi, Whitesnake, and more hold the answer? *Rock of Ages* is a big, brash, energetic tribute to classic rock, over-the-top ballads, gritty glamour, and the rough energy of the Sunset Strip.
